July 22-23, 2015**

**English Learners (EL) Data Cleanup
Questions and Answers**

Gary Martin, Office of Next Generation Learners, Division of Learning Service

- 1. Question: When an LEP student transfers from our district to another, is there anything special we have to do before transferring the IC records? Do we need to end-date the Accommodations, Services, etc. prior to the release of IC records?**

Answer: It doesn't have to be done before releasing the records, but should be done when the student leaves your district.
